"The Neil Diamond Musical"**

1:00 pm | Meet at the Bus

2:00 pm | Showtime

The untold true story of a Brooklyn kid who became a chart-busting, show-stopping, award-winning American icon. Created in collaboration with Neil Diamond himself, A Beautiful Noise is the uplifting true story of how a kid from Brooklyn became a chart-busting, show-stopping American rock icon. With 120 million albums sold, a catalogue of classics like "America," "Forever in Blue Jeans," and "Sweet Caroline," an induction into the Songwriters and Rock and Roll Halls of Fame, a Grammy® Lifetime Achievement Award, and sold-out concerts around the world that made him bigger than Elvis, Neil Diamond's story was made to shine on Broadway – and head out on the road across America. Like Jersey Boys and Beautiful: The Carole King Musical before it, A Beautiful Noise: The Neil Diamond Musical is an inspiring, exhilarating, energy-filled musical Memoir, that tells the untold true story of how America's greatest hitmaker became a star, set to the songs that defined his career.
